

FIRST INFORMATION MESSAGE

SAMARKAND STATE UNIVERSITY, SAMARKAND, UZBEKISTAN

October 2 to 4, 2019

INVERSE AND ILL-POSED PROBLEMS

Dear colleagues!

We are glad to invite you to participate in the International Scientific Conference «INVERSE AND ILL-POSED PROBLEMS» which will take place in Samarkand state university.

The conference will be held with the support of the Institute of Computational Mathematics and Mathematical Geophysics of the Siberian Branch of the Russian Academy of Sciences, Novosibirsk and the Mathematical Society ISAAC (<http://www.isaacmath.org/home/>) **from 2 to 4 October 2019**

The main target of the conference is to present the latest achievements and discuss promising research in various fields of inverse and ill-posed problems and modern problems of mathematical physics.

Conference Sections:

Section 1. Modern problems of the theory of inverse problems and its applications

Section 2. The problem of integral geometry and computed tomography

Section 3. Numerical methods for solving inverse and ill-posed problems

Section 4. Non-classical problems of mathematical physics and analysis

Section 5. Computational and Information Technologies of Mathematical Physics and Analysis

Important Dates

Registration of participants and visa order: **until August 20, 2019**

Registration of participants and hotel booking: **until September 1, 2019**

Registration of participants without a visa and hotel: **until August 20, 2019**

Report theses (1 page): **until August 20, 2019**

Decision to accept the report: **until September 5, 2019**

REGISTRATION AND ABSTRACTS OF THE CONFERENCE

Registration is carried out on the website www.iipp.uz or by email conf@abs.uz. Papers and abstracts can be prepared in one of the working languages of the conference: Russian and English. Conditions for submitting and receiving abstracts are listed on the conference website. The conference program includes plenary reports, section reports and poster presentations, as well as mini-symposia. It is planned to publish invited reports in authoritative, refereed scientific journals.

Conference Language: **English and Russian.**

CONTACT INFORMATION OF THE ORGANIZING COMMITTEE:

140104, Samarkand, University Boulevard, 15. Faculty of Mechanics and Mathematics.

Tel: +99866 2391632. Website: www.iipp.uz e-mail: conf@abs.uz
